

CLEAN OUT YOUR CLOSET AND GET SOME CASH:

Network Craze will help you stretch your IT budget by giving you cash or credit toward your next purchase. Get that old networking and phone equipment out of that closet or the corner of your office and see what it is worth! We will look at everything from switches, routers and phones to whatever else is cluttering your closet. While we can't stop you from feeling the budget squeeze, we can help it seem not-so-tight. Long term, it helps reduce the total cost of ownership too, allowing you to optimize your return on investment.
