

ASSURANCE YOUR CABLING IS MAXIMIZING YOUR EQUIPMENT'S CAPABILITIES:

We can handle all of your cabling infrastructure needs. We're committed to providing industry-leading cabling and connectivity technologies to help make your networking equipment worth its cost and guarantee your network performs at the highest levels. You have invested a great amount to have a reliable and efficient network, be sure the performance of your cabling is allowing you to get the maximum out of the equipment's capabilities. We will help to insure that your infrastructure can carry all the data and keep you up and running and at maximum capacity.

MORE CRAZY FACTS:

- **Performance Is Not an Issue** – Designed to meet and exceed your loss budgets so they work every time you plug them in.
- **Top Quality Is Our Mission** – Our cables are tested in the most rigorous situations. We make sure they will work, no matter what your environment looks like.
- **Worry-Free Warranty** – Our cables come with a lifetime guarantee. Send them back and we will replace them, no questions asked.
- **A Variety to Choose From** – We have pre-terminated and bulk copper, fiber, cross over and manufacturer equivalent cables. We can even customize them to meet your needs.
- **The Future Is Covered** – From Cat 6 to 10 Gig Aqua, we can help future proof your premises and trunk infrastructure to ensure it can be ready for changes in the future.

THE NETWORK CRAZE ADVANTAGE:

With Network Craze, you not only get quality products, but the quality products you need – not the ones the manufacturer says you need, the ones you *really* need. This approach gives you the ability to stretch your IT budget while getting fast delivery, a lifetime warranty and an expert sales team. Offering all the top manufacturers, Network Craze is a one-stop shop for all of your data and voice technology, cabling and storage needs.
