

WE KEEP YOUR NETWORKING RUNNING:

In our industry, we have plenty to worry about. The last thing you should have to worry about is your vendor or infrastructure equipment. At Network Craze, we make it worry-free! We understand technology, but more importantly how it solves real-world business problems. Our products are not just part numbers. They are solutions to your real-world problems. Some companies don't need the latest and greatest. Some do. We can help both. Our experts listen and solve your problems. We are happy to help businesses of any size, with any budget, to find what they need to energize their IT department.

MORE CRAZY FACTS:

- **Switches and Routers and Modules, Oh My!** – A warehouse full of switches, routers, modules and anything else you need ready for immediate delivery.
- **One Size Does Not Fit All** – Everyone has different business needs and goals. We are here to provide you with choices to utilize your technology needs.
- **Choices – We Got 'Em!** – Cisco, Nortel, Juniper and HP product lines.
- **Need It Quick?** – We will help make you look good when meeting your short deadlines.
- **It Takes a Village** – Our whole team is here and available to you to help in any situation.
- **Worry-Free Warranty** – Our products come with a lifetime warranty. Send them back we will replace them, no questions asked.

THE NETWORK CRAZE ADVANTAGE:

With Network Craze, you not only get quality products, but the quality products you need – not the ones the manufacturer says you need, the ones you *really* need. This approach gives you the ability to stretch your IT budget while getting fast delivery, a lifetime warranty and an expert sales team. Offering all the top manufacturers, Network Craze is a one-stop shop for all of your data and voice technology, cabling and storage needs.
