

## WE MAKE EVERYTHING SOUND CRYSTAL CLEAR:

Network Craze can help you maintain your current phone system or design a new one to better fit your needs and your budget. We supply both new and pre-owned voice equipment to help stretch your budget. Don't let the manufacturer decide when it is time to upgrade your phones; you decide when you are ready. We can support your current infrastructure with parts and pieces or fit you with a whole new system. Come to us for your current or legacy analog, digital and IP phones and PBX components.

## MORE CRAZY FACTS:

- **Phones, Phones and More Phones** – A warehouse full of phones and accessories are ready for immediate delivery.
- **One Size Does Not Fit All** – Everyone has different business needs and goals. We are here to provide you with choices to meet your technology needs.
- **Choices – We Got 'Em!** – Cisco, Nortel, Polycom, ShoreTel and Avaya product lines.
- **Need It Fast?** – We will help make you look good when meeting your short deadlines.
- **Need Help?** – We are here to support you before and after your voice purchase. Our whole team will be available to help you as always.
- **Worry-Free Warranty** – Our products come with a lifetime warranty. Send them back and we will replace them, no questions asked.

## THE NETWORK CRAZE ADVANTAGE:

With Network Craze, you not only get quality products, but the quality products you need – not the ones the manufacturer says you need, the ones you *really* need. This approach gives you the ability to stretch your IT budget while getting fast delivery, a lifetime warranty and an expert sales team. Offering all the top manufacturers, Network Craze is a one-stop shop for all of your data and voice technology, cabling and storage needs.
