

Cabling

MAXIMIZES YOUR EQUIPMENT'S CAPABILITIES

You have invested a great amount to have a reliable and efficient network. Don't let your cables get in the way. We will work with you to be sure your cabling infrastructure can carry all the data you need for today and the future.

Why Our Cabling?

- Performance – Designed to meet and exceed your loss budgets so they work every time you plug them in.
- Worry Free – Our cables come with a lifetime warranty. Send them back, no questions asked and we will replace them.
- Quality – We test our cables in the most rigorous situations. They will work, no matter what your environment looks like.
- Options – Pre-terminated, bulk copper, fiber, power cables, crossover cables. Whatever you need, we can get.
- Future Proofing – We can help you future proof your premise and trunk infrastructure to ensure it lasts throughout updates and changes in your future.
- Data Center Fiber - We carry MTP / MPO cables.

The Network Craze Advantage

At Network Craze, we're as crazy (I mean, as passionate!) about your network as you are. We understand that only you know what's best for your network, your budget and your business. With that in mind, we deliver quality products that your network, your budget and your business need. Allowing you to extend the life of your current IT hardware, helping you stretch your budgets, receive fast delivery, benefit from a Lifetime Warranty and have access to expert sales and support teams. By offering all the top manufacturers in the industry, we are a one-stop shop for all of your data and voice technology, cabling and storage needs.
