

Networking

WE KEEP YOUR NETWORK RUNNING

We believe products are not just part numbers, they are solutions to real world problems. Some companies need the latest and greatest, some don't. Our job is to help you figure out what works best for your networking needs. We help companies of any size with any budget, to find what they need to energize their IT staff and budget.

Why our Networking?

- Lifetime Warranty – We back all our products up with a lifetime warranty.
- Worry Free – Whether you buy new or refurbished, if there is a problem, send them back and we will replace them.
- Support – Our whole team is here for you whenever you need them and for whatever you need.
- Understanding – We listen to your business goals and needs to help determine which technology is best for you.
- Options – We have warehouses full of switches, routers, modules and anything else you need for immediate delivery.
- Quick – We can meet your short deadlines.
- Exceptional Quality – 100% of our products are tested prior to shipping.
- EoL / EoS Product – We help you keep your legacy equipment as long as you like.

The Network Craze Advantage

At Network Craze, we're as crazy (I mean, as passionate!) about your network as you are. We understand that only you know what's best for your network, your budget and your business. With that in mind, we deliver quality products that your network, your budget and your business need. Allowing you to extend the life of your current IT hardware, helping you stretch your budgets, receive fast delivery, benefit from a Lifetime Warranty and have access to expert sales and support teams. By offering all the top manufacturers in the industry, we are a one-stop shop for all of your data and voice technology, cabling and storage needs.
