EVERYTHING SOUNDS CRYSTAL CLEAR

Don't let the manufacturer decide when it is time to upgrade your phone system. You decide when you are ready. We can support your current system with parts and pieces or fit you for a whole new system. Our engineers can help you decide which is best for your company's needs.

Why Our Voice?

- Efficiency – We have warehouses full of phones and accessories ready for immediately delivery, helping you hit short deadlines.
- Choices – New or Refurbished Cisco, Nortel, Polycom, Avaya – we have them all for you to build the best system.
- Worry Free – Our voice products come with a lifetime warranty. Send them back, no questions asked and we will replace them.
- Support – Before and after your purchase, we are here to help. You can open a ticket online or call us when you need support.
- Lifecycle – Current or end of life product - we can get it all.

The Network Craze Advantage

At Network Craze, we're as crazy (I mean, as passionate!) about your network as you are. We understand that only you know what's best for your network, your budget and your business. With that in mind, we deliver quality products that your network, your budget and your business need. Allowing you to extend the life of your current IT hardware, helping you stretch your budgets, receive fast delivery, benefit from a Lifetime Warranty and have access to expert sales and support teams. By offering all the top manufacturers in the industry, we are a one-stop shop for all of your data and voice technology, cabling and storage needs.
